## Acknowledgments

The authors would like to thank the following people: Karl Krumsieg and Marie Baehr for their exceptional work on Foundations of Learning, 3<sup>rd</sup> Edition, as it prepared the way for this book; Janice Mettauer for her seminal work on the *Life Vision Portfolio*; Karen Anderson and Rich Armstrong for their early assistance with course-design and planning aspects of this text; Steve Beyerlein, who provided kindly and ongoing assistance with course-design and Process Education aspects of the book; Susan Oaks, Marjorie Robison, Craig Lamb, and Kent Stanton from Empire State College, State University of New York, each of whom provided many helpful links for the course resources website; and Cy Leise and Judy Isonhood, who shared invaluable feedback and ideas during the creation process.

Karen would like to add the following personal acknowledgments:

My sincere gratitude to my students at Madison Area Technical College for their genuine interest in this project. Their honest suggestions and input helped me speak to the students who will read the book in a very real way. Thanks for supporting *me* as a writer! Finally, heartfelt thanks to my family and friends for their support throughout this process, with a special mention to AJ and B and B.
